

**Thomas Edison Charter School North**

Enrollment Application

2012/2013 School Year

Thomas Edison Charter School – North is a public school for grades K-8 that teaches an academically stimulating curriculum. Parents provide transportation and lunch for their children. Parents are expected to volunteer in the classroom, work on parent organization committees, or participate in other approved ways. Students will adhere to a dress code. There is no tuition or unusual fees; however, a donation to the parent organization is encouraged as an alternative to school fund raisers for school activities. Parents of enrolled children automatically become members of the TECS – NORTH Parent Organization (PO).

Thomas Edison Charter School – North follows all state and federal laws required of public schools and does not discriminate based on race, creed, color, national origin or disability/ability status. Parents understand that this is a school of choice and, therefore, are expected to learn the standards of our program before enrollment or placement on a waiting list (See expectations below). New enrollment will be accepted until classrooms reach capacity. When classrooms reach capacity, applicants will be added to a waiting list. Siblings of enrolled students will be given first preference for enrollment. As spaces become available, enrollment will occur based on the position in the waiting list. A random drawing will be held for classes which exceed openings during the annual enrollment period which ends Friday, January 20, 2012. Families accepted for enrollment will complete the appropriate registration paperwork and then students will be placed in classes.
